Inmate #: 211547

I am the mother of Aaron David Trent Needham, an inmate at the Draper State Prison. The was to forward papers to the United States District Court by 03/21/19.

Aaron was admitted to University of Utah Medical Center ten days ago, 03/11/19. He was admitted to the hospital when his organs started shutting down due to Coccidioidomycosis. He was released last night. He is confined on medical lockdown in the prison infirmary for the next six weeks on IV medications for eight hours daily. He has limited mail, no access to legal material or to the courts. He is unable to have access to any of his documentation to prepare court documents.

Aaron is requesting an extension to respond be granted since he is on lockdown. You will be able to respond to his request at the prison infirmary. I appreciate your consideration on this matter.

Respectfully,
